

battle began it went on
for many ours until Daisen
Rock man tripped the
monster then chopped the
beast's head off. The monster
had skin as rough as a
cliff edge. He then chucked
the head up the hole and
started to climb.

when he got back to
the palace the king said
you can now marry my
daughter I have sent for your
mother she will be here for
the wedding and they
all lives happily
ever after
