

The adventure of Miss Metal

One dark dull day there was a knight strolling through the forest. The knight was called Miss Metal she was wearing heavy silver Armour what you can bend in and move in.

As she was walking through the immense forest miss metal saw a colossal, grey, dull cave it was also smelly you could see eyes reflecting in the dark... Miss Metal was petrified!

Miss metal tiptoed through the dark cave “is anybody there?” whispered Miss Metal. She heard a grunting sound so she gets her sword and...

The monster comes rapidly out Miss Metal stares at the monster because it has a cows head humans ears pigs nose owl ears massive vampire teeth pigs body chicken legs goats tail and dragons wings.

So miss metal got her sword chopped the Cowadragots 2 front legs off However it could still walk on its back legs! As is stumbled Miss Metal threw her sword at the Cowadragots and it hit it in the heart...it fell flat and that was the end of that weird monster.
