Once upon a time there was a girl called Allix she had mosie blond hair with ocean blue eyes and was quit cheesie! This was the her first time at dancing but when it came to her turn she was extreamly imbarist. So when she began she gorgot her dance and people where laughing so she started to cry and ran out side.

But when she get out side there was a man wearing a long black cloe he looked as bad as my grander. He asked me "do you want to see some pupps." she replied yes. The climbed in to the cart!

when he began to go she saw (out of now where) her uncles and cousins were running as fast as they screaming "we will kill you!" So she tried to get out of the cart but he grabbed her! Luckily the cart stopped and they caught up with the cart and began to jump on the cart and started to hit him meanwhile Courtney (her cousin) ripped of the door and reveal Allix out!
